

Lauren Class Schneider

LaurenSchneider@gmail.com • (m) 917.679.4477

For over three decades, I've worked in the live entertainment business. In broadcast television & live theatre, I've worked as a stage manager. I also work with my company Class Productions for additional support when engaged as an event producer, stage director, or creative producer.

With a long history of working with A-List performers and celebrities, I bring the same skill and gentle hand to working with C-Suite speakers.
